

Cheated by a betting app? File in this exact order.

Recovery odds: 72-hour file → ~15%. Day-30 → ~5%. Beyond → ~1%. **Speed matters.**

The complaint ladder

1. **Within minutes — Call 1930** (National Cybercrime Helpline, 24x7).
2. **Within 72 hours — File at cybercrime.gov.in** → Financial Fraud → Online Gambling/Betting. Have ready: transaction ID, merchant UPI handle, screenshots, bank statement.
3. **Within 7 days — Visit your bank** with all docs; file NPCI UDIR chargeback (creates paper trail even if rejected).
4. **Within 14 days — Written complaint to bank's nodal officer** (every bank's site lists this).
5. **At 30 days (if bank silent) — Banking Ombudsman** at cms.rbi.org.in + **RTI to your state cyber cell** via AI RTI Drafter.
6. **Amount > ₹50K — Lawyer** (free aid via [NALSA](https://www.nalsa.org/) for low-income); join class actions if multiple victims of the same app.

Don't

- Treat cybercrime.gov.in as the only complaint — every step compounds.
- Skip the bank visit — it triggers internal investigation.
- Give up at chargeback rejection (normal for authorised UPI; other 5 steps still work).
- “Deposit one more time to recover” — deepens loss + legal exposure.
