

How to file an RTI for your government job result

One-line answer: If your sarkari exam result is delayed, your scorecard is missing details, or you've been declared “not selected” without explanation — file an RTI to the conducting body's PIO. **Plain paper, ₹10, 30-day reply.**

What to ask

- **Your section-wise marks** with cut-off applied to your category.
- **Model answer key** with objection-rejection record.
- **Marking scheme** for descriptive papers.
- **Reasons for delay** if applicable.

Where to file

- **UPSC:** upsc.gov.in → “RTI”
- **SSC:** ssc.nic.in → “RTI”
- **IBPS:** ibps.in → “RTI”
- **State PSC:** each PSC's website
- **Central portal:** rtionline.gov.in

If no reply by Day 31

File a First Appeal under §19(1) — free at central level.

Why it matters

~4-6% of contested cases see actual mark corrections through RTI. The rest get useful information. Most candidates who file once, file again.

Why this matters for citizens

Issues like this are common — every year lakhs of Indian citizens face the same hurdle. The core legal frameworks are the **Right to Information Act, 2005**, the **Information Technology Act, 2000** (for online matters), and the **Consumer Protection Act, 2019**. The enforcement bodies vary by issue but most start with a complaint to the relevant department PIO + a parallel CPGRAMS filing.

Citizen action steps

1. **Step 1** — file an RTI under §6 of the RTI Act 2005 to the relevant department PIO. Use AI RTI Drafter for free.
2. **Step 2** — parallel **CPGRAMS** complaint at pgportal.gov.in for service-delivery push.
3. **Step 3** — if PIO refuses, **§19(1) First Appeal** in 30 days. Use **First Appeal Builder**.
4. **Step 4** — for fraud / criminal matters, **FIR at local police station + cybercrime portal** (cybercrime.gov.in) + **NCRP helpline 1930**.
5. **Step 5** — for consumer issues, **Consumer Court** under Consumer Protection Act 2019 (e-filing at edaakhil.nic.in).
