

# RTI for Sarkari Exam admit card problem — 48-hour reply route

**One-line answer:** Admit card not generated · wrong details · application silently rejected — file an RTI to the conducting body's PIO. Invoke the **§7(1) proviso** for a **48-hour reply** citing Article 21 (right to livelihood).

## The 48-hour line that most candidates miss

In your RTI, write:

*“This concerns my right to participate in [Exam Name] which directly affects my right to livelihood under Article 21. I therefore invoke the proviso to §7(1) of the RTI Act 2005 and request reply within 48 hours.”*

PIOs of UPSC, SSC, IBPS, RRB take this seriously when correctly cited.

## File via three channels at once

1. **Email** to the body's CPIO
2. **Online** via [rtionline.gov.in](http://rtionline.gov.in)
3. **Speed Post** with track number

## What to ask

- Status of your application on file (with file noting).
- If rejected, the specific ground with rule cited.
- Corrective steps available before the exam date.
